

We are looking for individuals interested in teaching a section of General Chemistry in the fall.

The time slots that we are seeking adjuncts to fill are scheduled for MWF 8:30-10:20 am or MWF 10:30am -12:20pm. There is an additional time requirement for a one hour weekly Gen Chem team meeting. Anyone who is interested should have at least a Masters in Chemistry.

Please forward this message. Applicants should send any questions and a copy of their CV to me at borgsmiller@hood.edu.

Thanks,
Karen
